
TRAVELLING TO THE SCP LEEDS OFFICE

10 SOUTH PARADE, LEEDS, LS1 5QS - 0113 887 3323

The SCP office is located in the heart of Leeds' central business district on the corner of East Parade and South Parade. The building is on the City Centre Loop and is to the north of the train station making it easily accessible by train, bus, bike and car. The entrance to 10 South Parade faces out onto East Parade and pedestrian access can be gained via the steps or disabled access lift up to the main reception.

By Train: Leeds Railway Station is located just a 7 minute walk from the office. Connections can be made to all major stations across the UK.

By Bicycle: Secure bicycle parking is available at bicycle point located at the railway station.

On-street bicycle parking can be found on South Parade towards Park Row.

Bicycle parking is also available within the office basement and can be arranged if required. Bicycles must enter the building via the basement shutter.

By Bus: The nearest bus routes run along the City Centre Loop. The nearest stops are located on The Headrow, Infirmary Street and Park Row which are all within a 5 minute walk from the office. There are over 20 services on these routes which run throughout Leeds and the surrounding areas.

By Car: A number of routes are available to access the City Centre Loop. If approaching from the M62 access can be gained via the M621. From the M1/A64/A58 follow the A61 into the centre.

Street parking is available at a number of locations close to the office although finding a space can be difficult. The closest multi-storey car park is located at The Light (LS1 8TL), just off of the City Loop.

For value all day parking use Woodhouse Lane Car Park (LS2 8BN) if approaching from the North or East and the Tetley Car Park (LS10 1HN) if approaching from the South or West.

Full details of bus and cycle routes visit <http://www.wymetro.com>. This also provides a journey planning service which is useful for planning a door to door journey. Visit www.nationalrail.co.uk for details of train times.
